## Our Flag

"We believe in the United States of America as a Government of the people, by the people, for the people, whose just powers are derived from consent of the governed, a democracy in a republic, a sovereign Nation of many sovereign States, a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which America's patriots sacrificed their lives and fortunes.

"We therefore believe it is our duty to our country to love it, to support its Constitution, to obey its laws, to respect its flag and to defend it against all enemies."

"NOW" is the one big word in your vocabulary to set to music and dance to.

Not for the past ten seasons has good clothing for men been so downright easy to own as it is NOW.

Not for the last hundred years has there been such a premium on a "good appearance" as there is NOW.

*NOW* is the time to visit
