TROOP "C" NEW YORK STATE TROOPERS ROUGH RIDING TEAM PERSONALLY DIRECTED BV

CAPTAIN DANIEL E. FOX

HEADQUARTERS SIDNEY, DEL. CO.;

An exhibition of rough riding and trick riding will be given by the Rough Riding team of Troop "C", New York State Troopers, Sidney, N. Y. a team composed of enlisted members of Troop "C", a team which has gained for themselves under the able leadership of Captain Daniel E. For, an enviable record for fast and clever riding, having won many competitive trophy's and other tokens of appreciation for the wonderful and thrilling exhibition presented by this small band of well trained horsemen.

Owing to the fact that requests for exhibitions pour in daily, it is impossible to grant them all, and many invitations to prevent this exhibition are turned down with regrets. Requests to ride at Richmond, Indiana; also Chicago were refused, and a request which has been comine yearly, to ride at the Worlds Greatest gathering of trick riders, at Calgary, Carada, has to be refused because of the distance and amount of expenses involved. This Rodeo at Calgary is considered the greatest and largest in the Worldand it is considered quite an honor to compete, as only the best riders in the World are entered, among them being the crack riding outfit representing the Canadian North Western Mounted Police.

Troop "C"s Riding Team won the Interstate prize at the Sesquicentennial at Philadelphia, and for four years straight, won the Famous Chandler Trophy. At practically all the Fairs in New York State; and at Fairs in other States, this team gives exhibitions. At Pageants and Horse Shows, particularly the National Horse Show which takes place at the Madison Square Garden, in New York City, Troop "C" presents their exhibition, and it is usually a request for a similar exhibition the following year.
